## HAPPY NEW YEAR 2023 FROM EVNPECC4 TO **OUR VALUED SHAREHOLDERS, CUSTOMERS AND PARTNERS**

Dear Valued Shareholders, Customers and Partners,

On the occasion of welcoming a new spring 2023, Power Engineering Consulting Joint Stock Company 4 (EVNPECC4) in this meaningful New Year's Eve moment, we would like to extend our deepest gratitude to our valued shareholders who have been faithful and put their full trust in the Company's executives; a huge thank you to all of our valued domestic and international customers, partners who have accompanied us in 2022 – a year full of volatility and challenges.

Reflecting on the past 12 months, despite facing many difficulties and hardships, thanks to the support, trust, and strong cooperation from our valued domestic and international shareholders, customers and partners, the company's executives and all employees have made great efforts and proposed many flexible solutions. Thereby, EVNPECC4 has exceeded the production and business targets of 2022 with the profit increased 14.8% compared to 2021. With this achievement, we are proud to be one of six entities under EVN which were proposed to be awarded the Government's Excellent Emulation Flag.

With more than 46 years of experience in power engineering consulting field, EVNPECC4 has developed a workforce of highly professional officers and engineers who are capable of researching and consulting on economic – technical - technological solutions for energy projects contributing to the enhancement of Vietnam power system's effectiveness, stability and reliability. With the target of becoming the leading company in power engineering consulting field, EVNPECC4 has built, developed a strong Vietnamese brand domestically and internationally. We affirm to accelerate digital transformation's process, apply big data and artificial intelligence based on 4.0 energy platform in order to improve the effectiveness and benefits for valued shareholders, clients and partners. We are committed to constantly being innovative, creative and bringing sustainable values for the community and society.

EVNPECC4 always has the interests of valued shareholders, customers and partners at heart. We understand that the success of our valued shareholders, customers and partners is a solid foundation for the development of EVNPECC4. With such solid foundations, EVNPECC4 looks forward to more fruitful collaborations in the new year 2023 with valued domestic and international shareholders, customers and partners in more fields in order to create new opportunities and reap more successes.

In the bustling atmosphere to welcome the new spring 2023, heartfelt and sincere New Year greetings from all of us at EVNPECC4 to our esteemed domestic and international shareholders, customers, partners and the loved ones: May 2023 be filled with HEALTH – SUCCESS – HAPPINESS - PROSPERITY and may all your wishes get fulfilled in the New Year.

Best regards,
